The quarantine station at Brazos Santiago will open on the 15th. instant.

A son was born to Mr. and Mrs. A. Ashbeim last night at eight o'clock.

A marriage license was issued yesterday to Gregorio Dianda and Mariela Rios.

The schooner *Cazador* arrived at Point Isabel this morning, with a cargo of lumber.

The Obrera Mexicana society will give a dance tonight at the Obreros Hall.

The baile to be given by the Blue club will take place at the railroad station tonight, weather permitting.

The Rio Grande is reported as being lower at Carrizo in Zapata county than ever before known.

The Vega company will play again at the opera house in this city tonight. "The Sea Nymphs" will be the chief feature of the program.

A man named Rios, who was a clown belonging to the Perez circus, arrived yesterday with his wife. The circus which was coming here seems to have broken up.

## PURELY PERSONAL.

Dr. A. S. Wolff went to the Point this morning.

Judge Wells is at his ranch in Hidalgo county. He is expected to return home in a few days.

S. L. Dworman returned Thursday from a business trip to Rio Grande, where he transacted a big land sale for Mrs. E. R. Raphael.

Heavy rains are reported in the Cerralvo mountains of Nuevo Leon, and a rise in the Rio Grande may result. The water is at a very low stage now.

W. E. Wren and Mrs. C. Laroche, sr., of Point Isabel, and Frank Reynolds of the life saving station came up on the train last evening and returned this morning.

Miss Julia Bollack, daughter of Mrs. H. Bollack of this city, will be among the guests at the wedding of Miss Gertrude Miller and Joe Cramer at Orange, Tex., on the 17th. instant. Miss Bollack, who has been spending the past year or more with relatives in Louisiana, will probably go from Orange to visit relatives at Laredo, and from there will probably return home.

## Condition in Zapata County.

A telegram was received by the editor of THE HERALD today from a leading northern paper, asking:

"Are reports of suffering from famine and thirst in Texas border counties in your section exaggerated?"

The truth of the matter is that much want really exists in Zapata county and also in a portion of Starr county. There have been no reports of suffering in any other border counties. It is probable that exaggerated reports have been sent to northern papers, although there is undoubtedly need of aid in the counties named, and probably eight hundred or a thousand persons may be suffering from hunger. THE HERALD's Rio Grande correspondent is of the opinion that aid is actually needed. As to reports of death from hunger, they are not confirmed, though it is probable that disease has killed some who were so weakened from insufficient food as to be unable to resist it.

Still it would seem that the state of Texas, as the San Antonio Express suggests, should be amply able to provide for the wants of the sufferers.

## DEMOCRATIC CONVENTION

In Zapata County Instructed for Lanham, Lefevre, Garner and Senbury.

## To THE HERALD:

Rio Grande City, Texas, April 9.—Reports from Carrizo show that the Democratic county convention held there last week instructed for Lanham for governor, Lefevre for state superintendent, Garner for congress, and Senbury for the legislature, and failed to instruct as to any other positions. The convention also endorsed Judge Wells' conduct as state chairman, and recommended his re-election. The Democrats in Zapata county are organizing for the first time in many years, and will make a strong fight for the control of the county. Espridion Flores is the new chairman, and Yndalecio V. Uribe secretary of the Democratic Executive Committee.

## A Delightful Affair.

The dance given by our leading society young men at the opera house last evening was a delightful affair, although quite informal. It was very well attended. Several from Matamoros were present. The popular Anzaldúa band was engaged for the evening, and the excellent floor and pleasant temperature made dancing a delight. About midnight, refreshments, consisting of coffee and cake, were served, on the stage. The costumes of the ladies were unusually pretty and becoming, and it is regretted that a description of them was not obtained.

Those who participated were Mesdames Ratcliffe, Cain, Loew and A. Celaya, Misses Geraldine and Annie Kelly, Ray, Rose and Lolie Stowe, May and Octavia Scanlan, Anna Kenedy, Kate Thielen, Lily B. Keller, Foster, Layton, Eda and Aggie Willman, Goodrich, Tilghman, More, Miller, Josephine and Maria Webb, Dougherty, Hetty Dougherty, Mary and Agnes Douglas, Angelita and Virginia Garza; Messrs. E. K. Goodrich, Crockett, Beck, A. Celaya, Jno. Geo. and Phil. Scanlan, Wren, Dougherty, Sanders, Wallace, F. and L. Layton, Dreyfus, G. Kowalski, J. Sherwood, Maris, F. I. Kowalski, F. Putegnat, W. and H. Bennett, Jack, Dworman, H. Putegnat, S. Browne, Archibard, and Dougherty; besides the following from Matamoros: Dr. M. Barragan, Dr. Gaston Puchot, Messrs. H. Nielsen, Longoria, Rodriguez, Humana, Zepeda, Arrese and Perez, Misses Raquel Barragan and Aurora Arrese.

They also take this opportunity to thank their many patrons for their liberal patronage in the past, and hope to as faithfully serve them in the future. They therefore trust to receive all their patrons on the 15th.

## BIG DEALS IN STARR COUNTY.

No More Cheap Land Left—Drouth Still Continues, and Aid Will Be Needed In Both Zapata and Starr.

## To THE HERALD:

Rio Grande City, Tex., April 9.—The "Barregos" pasture in Starr County was sold today by Mrs. E. R. Raphael, through her agent, S. L. Dworman, to W. W. Jones, of Beeville, for \$1.50 per acre. This pasture contains about 20,000 acres; has valuable improvements, and is one of the best in Southwest Texas.

It is reported that the "Salado" pasture, also in Starr County, and containing about 15,000 acres, has been sold to W. J. Miller and sons, of Beeville. This land was recently partitioned in the district court, and the owners are under contract to sell to Mr. Miller upon completion of partition.

With these two sales, practically all the large pastures in Starr county will have gone into the hands of people who will hold them and use them in active stock-raising, and cheap lands here, as we regarded cheapness two years ago, are a thing of the past.

Judge James B. Wells, of your city, who arrived yesterday from San Diego, left today for Hidalgo.

All along the river, the drouth still continues, and the people of Starr county are beginning to suffer. Those in Zapata have found relief in large measure by moving out of the country, but those remaining are in a terrible condition. Unquestionably, another appeal for aid will have to be made soon in behalf of both counties, unless abundant rains fall. The situation is aggravated by the high price of provisions on the one hand, and the difficulty of securing work on the other.

Stock, fortunately, have not suffered so much as one might think, but the writer, on a recent trip up the river, noticed that from the Lupeno ranch up, that cactus was very thin and sickly looking, and that cattle in that neighborhood, and beyond to a greater extent, were dying in considerable numbers.

Notwithstanding the destitution, Zapata County has been remarkably free from crime on the part of the poorer classes, and at the last term of court, held on April 1st., no indictments were found, and court lasted only about three or four hours. In fact, there was no need of court at all. This is a remarkable tribute to the honesty and self-restraint of a terribly oppressed people.

### Baby's Coming

McDonald, Ga., July 18, 1900.  
I advise every suffering woman to take Wine of Cardui. While I was going with my other children I was compelled to stay in bed for days at a time, but this time I have taken Wine of Cardui and Theodor's Black-Dracht and have been able to do all my housework without any trouble. I am expecting every day to be confined. My husband thinks Wine of Cardui is the best medicine in the world. He takes a dose of Theodor's Black-Dracht every night and gives some to the children. He has not lost a day from work this year. He tells his friends about your wonderful medicines and I tell my lady friends to use your Wine of Cardui.  
Mrs. GEORGIA LEE.

### WINE OF CARDUI

There are thousands of women who shrink in terror at the thought of the baby's coming. But childbirth is one of the workings of Nature and it was not intended to imply torture and agony to the heroic mothers of the race. The woman who suffers torture during pregnancy and at childbirth has usually, by some indiscretion, injured the organs which make her a woman. Neglect of menstrual irregularities leads to ovarian pains, falling of the womb and leucorrhoea, and the period of pregnancy is necessarily distressing under those conditions. Wine of Cardui will regulate the menstrual function perfectly and eventually make the generative organs strong and healthy. Pregnancy and childbirth have no terrors for the woman who takes this pure Wine. A strong healthy womb will bring its precious burden to maturity with little or no pain. A healthy woman need not fear childbirth. Wine of Cardui completely cures all these troubles familiarly known as "female diseases" and equips the sensitive generative organs for pregnancy and childbirth. It will save any mother much pain and suffering. All druggists sell \$1.00 bottles.

### Deafness Cannot be Cured.

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. S. CHENEY & CO., Toledo, O. Sold by Druggists 75c. Hall's Family Pills are the best.

### Health for 10 Cents.

A lively liver, pure blood, clean skin, bright eyes, perfect health—Cascarets Candy Cathartic will obtain and secure them for you. Genuine tablets stamped C. C. C. Never sold in bulk. All druggists, 10c.

Drying preparations simply deplete and dry catarrh; they dry up the secretions which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumigations, snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head and throat. A trial size will be mailed for 10 cents. All druggists sell the 50c. also. Ely Brothers, 56 Warren St., N.Y. The Balm cures without pain, does not irritate or excite sneezing. It spreads itself over an inflamed and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

### C. F. P. FEMALE PANACEA.

Of it Sallie P. Evans, of Columbia, S. C., says: "It is undoubtedly the finest female restorer on earth." Miss Carrie J. Holmes, of Blanchard, La., says: "May God bless you; your C. F. P. Gerstle's Female Panacea cured me and made me the happiest girl in America." Harriet Martin, of Searcy, Ark., writes: "My health has been restored by C. F. P.
